

CEPT UNIVERSITY

FACULTY
OF DESIGN

6th September 2022

Dear Rahul Kadam,

Thankyou so much for accepting our invitation to conduct a guest lecture for our studio, 24x7 : from mono use to multi use. As we are currently in the preliminary stage of the studio, it was absolutely insightful for the students to realize the potential of adaptive reuse in interior architectural spaces. Through the process and the design decisions elaborated within each project, the students were able to curate a design process for their ongoing projects as well. On behalf of the studio we are absolutely grateful for your input session and inspiring the students through your work. We hope to reconnect with you for the studio in the future as well.

Thankyou !

Best Regards,

Khushru Irani
